08/29/08 Call

EETT Grant Coordinators,

Thank you to those districts able to join us on the call on Friday. We enjoyed hearing about all the different implementation models, and getting a feel for where each district is which their project.

Here is some information which was shared on the call.

Quarterly Progress/Evaluation Reporting System
- Reviewed system and questions
- Don't hit Finished until you're ready to submit
- URL: http://itts.flinnovates.org/EETTSurvey/index.aspx, passwords emailed out on Friday
- Contact jenny.black@fldoe.org with questions or FCIM support@fcim.org with technical issues.
- First Quarter report due: **September 19, 2008** (If additional report development time is required as a result of storm impacts, staff departures, or other local circumstances, please notify Charles.Proctor@fldoe.org and provide a projected report completion date).

Research Update
- Hope to continue positive trend from past two years' research efforts
- Email sent August 20th about Research timeline, contact Cathy (cathycavanaugh@coe.ufl.edu) if you need email resent.
- Please send (1) teacher names, (2) school, (3) grade level, (4) subject, (5) email address to Vasa Buraphadeja (vasa.buraphadeja@gmail.com)
- Also send list of potential AR mentors or if you need mentors to [vasa.buraphadeja@gmail.com.](mailto:vasa.buraphadeja@gmail.com)
- Online systems being developed for Teacher Lesson plan submission, as well as Student Artifact submission. Student artifacts will be one per participating teacher.
- Contact Kara Dawson (dawson@coe.ufl.edu) or Cathy Cavanaugh (cathycavanaugh@coe.ufl.edu) with research questions at any time.

ST2L Update
- Anticipate tool will be available for grant districts on September 22nd
- All districts implementing competitive EETT projects during the 2008-09 school year were expected to pilot the ST2L. If the district's project does not specifically target any 8th grade classrooms, the district should consider expanding the scope of their project somewhat to facilitate meeting program expectations in this area.
- Early access to tool will also be a chance for grant districts to provide feedback and look for bugs
- Pre- and post-administrations expected for research efforts
- Expect tool to be available statewide September 29th

Schedule for Conference Calls
- Final Fridays of each month
- Will not always use Adobe Connect web conference, only when needed
- <mark>Please mark your calendar for **10:30 am EST** for the following dates:</mark>
