How Sammy Went to Coral-Land

Chapter 2: “How Sammy Escaped from the Shark and Made the Acquaintance of the Hermit-Crab”

Think about the title of this chapter. How does the chapter title relate to the chapter content? Is there anything significant about the chapter title?

Write a short essay explaining the relationship between the chapter title and the content of the chapter. Be sure to use evidence from the chapter to support your explanation. Feel free to include a more suitable chapter title if you think it fits.
