### **Create-A-Quiz**

It is your turn! Think about your readings for the novel so far. Consider the main ideas and important supporting details. After reading, create a quiz to assess understanding of the reading. You may use different types of questions (multiple choice / short answer / true/false / essay / etc.), but be careful to focus your questions on important aspects of the reading, not on insignificant details! Your final step is to provide an answer key for each of your questions. Be prepared to explain your thinking.
