The Wonderful Wizard of Oz: Chapter 11

Before you read this chapter, set a purpose for your reading by reviewing the following questions.

As you read the text, complete the answers.

1. Record three questions that you have while reading. (questions for the author, clarifying questions, questions about what is confusing to you, etc.)

a)

b)

c)

2. Highlight or mark any places in the text that are confusing to you.

3. After you finish reading, close the book and record what you remember about the events and characters (use a separate sheet of paper).

4. Did you find answers to your questions? If so, record them on here. If not, share your questions with a partner to see if you can find the answers together.
