### **Chapter 3: "Squinty is Lost"** **Squinty, the Comical Pig**

**Directions:** Squinty has escaped the farm and the dog. Is this a good thing? He steals some potatoes. Is it okay to steal? After his swim, he becomes lost. What do you think Squinty ought to do? Make a map for Squinty. Show his pen at the farm, the dog, the rows of potatoes, the pig weed, the toad, and the brook where he took his swim and mud bath, the apple tree, and the corn stalks. Draw Squinty where you think he was when he stopped and sighed because he was lost.
