Math Grade 1
Ordering numbers

MA.1.A.1.4
MA.1.A.2.3

"Age"

Reading Level: 1.4

Activity:

1. Fill in the blanks in the poem and answer the question in line 6.

Mary’s five and Bea is three,
Bob is nine, that’s ______ times Bea.
In four more years I’ll be eleven,
That’s much better than being ______.
Granddad’s sixty I am told,
How many years till I’m that old? ______
Funny how mum’s age never changes,
She’s been twenty-one for ages!

2. Put the names of the people in order from youngest to oldest. Be sure to include the speaker.
