

# *Five Little Chickadees*

---

**One little bee blew and flew.**

**He met a friend, and that made two.**

**Two little bees, busy as could be—**

**Along came another and that made three.**

**Three little bees, wanted one more,**

**Found one soon and that made four.**

**Four little bees, going to the hive.**

**Spied their little brother, and that made five.**

**Five little bees working every hour—**

**Buzz away, bees, and find another flower.**
