Just So Stories

“The Butterfly that Stamped”
Rudyard Kipling

Reading Level: 4.4

Activity:

1. In the reading, the Animal said, “Where I come from we each eat twice as much as that between meals.” Write an algebraic expression to represent the statement. _____

Write the numbers for the following situations:

2. Count by twos to 20

3. Count by threes to 21

4. Count by fives to 30

5. Count by tens to 70

6. The king in the story had nine hundred and ninety-nine wives. If you count by twos will you get to nine hundred and ninety-nine exactly? _____

By threes? _____

By fives? _____

By tens? _____

Explain your reasoning.
