

"The Story Begun by Walter Hartright, Part XV"
The Woman in White

It is your turn! This chapter ends the first part of the narrative, as told by Walter. Consider the main ideas and important supporting details. After reading this final chapter, create a quiz to assess understanding of the first section as a whole. You may use different types of questions (multiple choice / short answer / true/false / essay / etc.), but be careful to focus your questions on important aspects of the reading, not on insignificant details! Your final step is to provide an answer key for each of your questions. Be prepared to explain your thinking.
