

Chapter 11: The Interior of a Heart

The Scarlet Letter

As you read the chapter, keep Post-it notes at hand. Use the notes to mark places that are significant or that bring up new questions. Make brief notes on the Post-its to help you keep track of your findings and questions.

After you complete the reading, work with a partner to try to understand and answer the issues of the chapter. Discuss the places in the chapter that each of you have marked, and work together to develop answers to your questions. Use one sheet of paper for both of you to combine the answers and information from this partnership.
