## Chapter X: "Down the Indian River" from *Florida Trails*

Divide this paper into two columns. In the first, list all the things the narrator sees that represent the North. In the second, list those things that represent the South.

## Chapter X: "Down the Indian River" from *Florida Trails*

Spring is often used as a symbol for new beginnings. What is it about spring that makes it work well for this purpose? What else could symbolize the same thing?
