

Chapter XXI: "Easter at Palm Beach" from *Florida Trails*

In this chapter, the author speaks of the familiarity makes people fail to notice the beauty and grandeur of a place. Think of a place that you go to regularly, one that you don't give much thought to, because it is so familiar to you. Try to see that place through the eyes of someone viewing it for the first time. Write about the details that make it special, unique, even beautiful.
