Ch. 19: The Lost Fish The Go Ahead Boys and the Racing Motor-Boat

Directions: Compare and contrast whether or not the boys ought to try the race again. On the back of this paper, illustrate an event from the chapter.

The form consists of a large rounded rectangular border. Inside this border, there are three vertical columns of horizontal lines, each column containing 12 lines. The columns are arranged from left to right, with the middle column being narrower than the two outer columns. The lines are evenly spaced and intended for handwritten text.
