Ch. 6: "Farmer Brown's Boy Is Puzzled" **The Adventures of Jerry Muskrat**

Directions: Make a shoebox diorama for this story.

1. Show the setting in the shoebox or other large box. Paint the inside of the box, or draw on paper and glue the "wallpaper" into the shoebox. Include the ground cover and the sky.
2. Create trees, traps, animals, Farmer Brown's boy and other things you would see in the story with paper or models you have.
3. Be sure to show Farmer Brown's boy setting traps and animals springing and burying them.
4. Label the shoebox with your name, the title of the book, the title of the chapter, and the author's name. Write a brief summary of the chapter and glue it on the bottom (back) of the box.
