Ch. 9: "The Laughing Brook Stops"

The Adventures of Jerry Muskrat

Directions: Illustrate this story for a book without words. Be sure to draw a laughing brook. Show a smiling pond. Draw Grandfather Frog's googly eyes, black frozen ice, and a small pool without a smile. Look for other descriptions (adjectives, metaphors, and similes) to draw to tell the story. Share the story with an adult, a younger child, or a friend.
