

Chapter 5: "Curly and the Elephant"  
Curly and Floppy Twistytail, the Funny Piggie Boys

Directions: The author forgets to put the elephant in this story. If the author asked you where the elephant should go, what would you tell him? Write a summary of the story with the elephant in it. However, each time you put the elephant in the story you must flip a coin. When the coin is "heads" you must add a good event. When the coin is "tails" you must add a bad event. Illustrate your work.
