

Name: _____ Date: _____

“The Ant and the Grasshopper”

Directions: Choose one of these activities to complete.

The Grasshopper is starving because he has not stored food for winter. Write a different ending to this fable where the grasshopper learns from his mistake. Illustrate your story.

The Ants are busy working all the time. They probably never stop to draw a picture, read or write a book, listen to or play a musical instrument, or pretend to be someone else in a play, movie, or just pretending. Explain to the ants why they need to spend some time doing one of these things. Illustrate your story.
