Ch. 11: "Squinty and the Merry Monkey"

Squinty, The Comical Pig

Directions: Mappo and Squinty have run away. Do you think running away is a good idea for these animals? Is running away ever good? Consider things like where Mappo and Squinty can go, what they will do, how they'll get along. Will running away be good for Mappo? Will it be good for Squinty? What do you think will happen to them? What do you think they should do?
