“The Unseen Playmate”
A Child’s Garden of Verses

Directions: Have you ever had a make-believe playmate? Write about your playmate or make up a make-believe playmate you would like to have. Tell what you would do together. Would there be any magic? What would your friend look like? Would your friend talk to you, read your mind, sound strange, use unusual words? Look back at the poem to help you with your wonderful descriptive words and ideas. Illustrate your story with a picture of you and your playmate.
