"Four Little Fishes"

Traditional rhyme

Reading Level: .5

Directions:

Draw pictures to model the lines of the poem. Write the subtraction sentence under each drawing.

1. Four little fishes swimming out to sea,
One met a shark!...
And then there were three.

2. Three little fishes wondering what to do,
One hid in a great big shell...
And then there were two.

3. Two little fishes looking for some fun,
One chased after a wave...
And that left one.

4. One little fish with all his friends gone,
Went back home to find his mum...
And that left none!
