MA.3.A.2.3

Nights with Uncle Remus
"Why Brother Bear Has No Tail"
Joel Chandler Harris

Activity:

1. In the reading, Uncle Remus answered so loudly that he could be "heard half over the plantation." If the next time he hollers, he can be heard over a third of the plantation, would that mean he was yelling louder or quieter?

2. Put the following fractions in order from least to greatest: $\frac{1}{2}$ $\frac{1}{3}$ $\frac{1}{4}$ $\frac{1}{5}$

3. Put the following fractions in order from least to greatest: $\frac{1}{2}$ $\frac{1}{3}$ $\frac{1}{4}$
