## "The Two Fellows and the Bear"

### Directions:

1. Research the best ways to protect yourself if you come upon a bear in the woods. Write down what you learn.
2. Think about what two friends might do if they met a bear in the woods. Write down your ideas.
3. What do you think about the way the two friends acted when they came upon a bear?
4. How do you think two friends should behave in this situation?
5. Do you believe the friend who hid in the branches deserted the friend who did not?
