

Name: _____ Date: _____

“The Wolf In Sheep’s Clothing”

Directions: A wolf covers himself with a sheepskin so he can hide in a flock of sheep. His plan is to get close to a sheep allowing him to attack successfully. An idiom has grown out of this idea. An idiom is a manner of speaking that makes sense to people who speak the language, but may not make sense looking at the meaning of the words. Explain what you think this idiom means: “A wolf in sheep’s clothing.”
